POWER BANKS & WIRELESS CHARGERS

Quality is our top priority. We produce thousands of products every day, all custom made according to wishes of our customers. That is no less true for our power banks and wireless chargers.

We have a wide range of power banks and wireless chargers from several premium brands. Thanks to that, we can always fulfill your wishes. A pocket size power bank with a max print or a personalised wireless charger, we produce it all.

- Individual Personalisation possible
- Power banks available with a capacity up to 20.000 mAh
- A unique promotional gift for every budget
- Minimum order quantity of 10 pieces

DOMING

Many of our products can be personalised with so called doming. A unique combination of a sharp full-colour print and transparent PU-layer (polyurethane) upgrades the product to a different level and gives a high-end look.
