

## Thule Accent Backpack 23L

- Fits a 15.6" laptop and 16" MacBook®
- Fits a 10.5" tablet
- 100% recycled polyester
- SafeZone Pocket

Thule Accent Backpack is an eco-friendly backpack with a capacity of 23 liters will protect all your electronic devices and accessories on short and long journeys. And a special strap for attaching a backpack to a suitcase on wheels will provide additional comfort during traveling!

The Thule Accent Backpack perfectly fits a tablet, laptop, documents and other things that can be useful while working or walking. The SafeZone compartment with a hidden pocket behind a removable cup with a solid frame reliably protects your phone, glasses and other valuables. The front pocket is convenient for storing small things and quick access to them. And of course, thanks to the side pocket, your favorite drink will always be with you!

Thule Accent Backpack can be personalised with a high resolution thermal print of your logo or design.
